Treasurer's Report

Ladies and Gentlemen

The year 2017/18 has proven to be not a good year for Club Kirrawee. Our Gaming Revenue is down more than \$226k over the previous year and we are unable to explain why. We tried running promotions during the year but they were not that successful. Gaming in most clubs has been down this year so I guess it is because people are watching their disposable incomes.

We have seen an increase in our electricity and because of the improvements that have been made around the Club our depreciation has also increased. Due to equipment ageing there is an increase in our repairs and maintenance.

As this will be my last report as Treasurer I would like to take this opportunity to thank all the staff for their help and support especially Pat Simmons, Abbey Harris & Cameron Griffiths.

I also wish the new Board every success.

LORRAINE ROGERS

TREASURER
